

TENANCY TRANSFER

Factsheet

Tenant Transfers

A social housing tenant can request a transfer if their circumstances have changed in a way that has caused their current housing to no longer be suitable.

Who is eligible?

All tenants eligible for social housing are eligible to apply for a transfer, however, the request must be made for a valid reason and will only be approved on the grounds outlined below and in more detail in the **Homes North Transfer Policy** - see our website: www.homesnorth.org.au

Your Housing Officer will assess your application and you will be advised of the outcome within 20 days.

Homes North tenants who wish to be considered for a housing transfer are required to apply and be assessed according to the Homes North Transfer Policy and the Housing Pathways procedure.

What are the grounds for transfer?

In order to be eligible, you must be up-to-date with all your payments and able to provide documented evidence to support your application made for a valid reason, such as:

- Being at risk (e.g. domestic violence, child abuse or threatening behaviour)
- Serious medical condition/disability
- Serious or ongoing harassment
- Gaining or changing employment
- Severe overcrowding
- Compassionate grounds
- Family breakdown
- Tenancy reinstatement

How to apply for a transfer?

You will need to fill in the forms obtained from your Housing Manager complete with the relevant supporting evidence, including the Housing Pathways Transfer Supplement and Application for Housing Assistance form

I am eligible – what next?

If your application and supporting evidence deems you eligible for a housing transfer, you will be placed on the waiting list and your wait time will be dependent on your current situation, reason for applying and housing need. Waiting times vary depending on the area you have selected.

Appeals

Information about appealing declined transfers can be found in the **Complaints** and **Appeals** factsheets. Declined transfers can be appealed by submitting an Appeals form stating why you disagree with the decision.
